

C O N G R A T U L A T I O N S

This is no ordinary gift card—it has
double the thoughtfulness.

You get to choose exactly what you want,
and an organization earns money to
create more opportunities.

It's the gift that gives on.

"Be the change you want to see in the world."

—Gandhi

**Congrats to the graduate! Wishing you all
the best on your new adventure.**

Cut along dotted lines & slide opposite corners
of the gift card into slits to secure.
